Debut Edition - Celebrating Our Launch!

From the Chairman's Desk

Dear Friends and Partners,

With immense gratitude to God and the unwavering support of kind-hearted individuals like you, we are thrilled to present the **first issue** of the ***SOOWER Newsletter!***

Our official **launch event** was not just a beginning it was a declaration of purpose: to bring support to widows, orphans and those serving in the mission fields. We are now ready to work hand in hand with you and other partners to bring healing, dignity, and empowerment to those who need it most.

Welcome on this journey with us!

Mr. Jonathan Agwunobi

Our Programs

WidowCare (WC)

Widows often face extreme social and financial hardships. We provide financial aid and support to help meet their immediate needs, focusing on economic relief and restoring dignity.

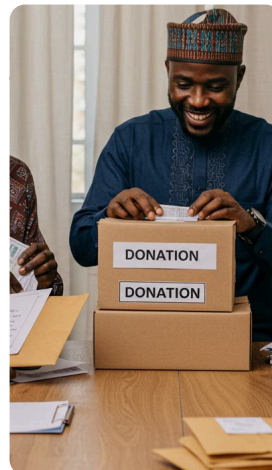

MissionCare (MC)

Missionaries take great personal risks to serve others. We support their welfare, so they can continue their work without neglecting their own needs.

Donate A Dream (DAD)

With over 10 million Nigerian children out of school, our DAD program provides educational scholarships to orphans.

Strategic Partnerships

We work with local churches and NGOs to expand their reach and impact. Through these collaborations, we support community-led projects aligned with our mission.

Next Steps

We are excited to announce the commencement of our program implementation, beginning with the Donate A Dream (DAD) project, an initiative focused on giving orphans a brighter future through educational sponsorship. In addition, we are proud to partner with Family Worship Centre, Abuja, in support of their mid-year conference for missionaries and widows.

If you would like to partner or donate, please visit our website or contact us directly.

Donate: Your monthly donation helps a widow access healthcare, an orphan stay in school, or a missionary stay in the field.

Volunteer: Lend your skills in media, admin, or community outreach.

Partner with Us: Support widows, or missionary retreats.
