

From the Chairman's Desk

Dear Friends and Partners,

As we present this second issue of the SOOWER Foundation Newsletter, my heart is filled with deep gratitude to God and to every partner, donor, and volunteer who continues to walk with us in the mission of bringing hope and restoration to widows, orphans, and missionaries across Nigeria.

This year has been a remarkable testament to what can happen when faith meets compassion and when partnerships are guided by purpose. From our collaboration with the Family Worship Centre Missions Department and Excellence Ministry of Grace, to our work with The Army of God Gospel Outreach and the Regy & Henry Amazing Grace Foundation, each initiative has reminded us that ***transformation is not a solo effort - it is a shared journey.***

Through your unwavering support, we have reached many lives - providing health care, educational access, trauma healing, and spiritual renewal. We have seen widows rise again with confidence, children return to school with joy, and missionaries strengthened for service. These are the stories that give meaning to our work.

Yet, even as we celebrate these victories, we are reminded that our work is far from done. Every seed we sow must continue to grow, nurtured by love, accountability, and sustained collaboration. As we look to the months ahead, we remain committed to expanding our reach, deepening our impact, and ensuring that ***no widow, orphan, or missionary walks alone.***

Thank you for being part of this journey of faith and compassion. Together, we will continue to extend hope and transform lives - one family, one community, and one generation at a time.

With heartfelt gratitude,

Mr. Jonathan Agwunobi

Chairman & Co-Founder, SOOWER Foundation

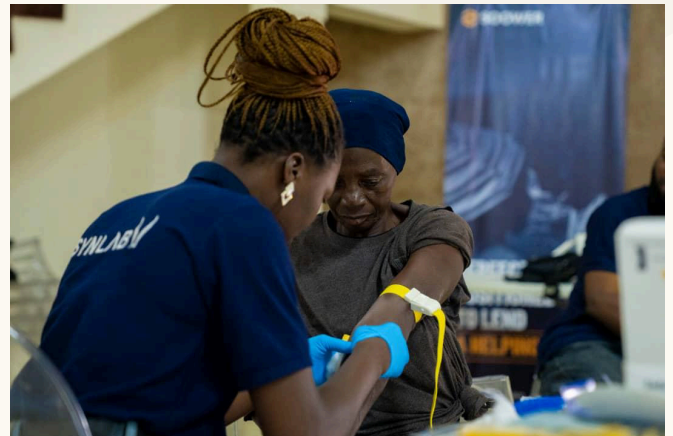

Extending Hope Together

SOOWER Foundation Partners with Family Worship Centre Missions Department

This year, SOOWER Foundation joined forces with the Family Worship Centre (FWC) Missions Department, Abuja, to bring hope, healing, and empowerment to widows, orphans, and missionaries across Nigeria. Through two major outreach events, the partnership provided healthcare, spiritual renewal, and material support to hundreds of families.

Mid-Year Missions Conference: Bringing Health and Healing

At the FWC Mid-Year Missions Conference on July 12, 2025, over 120 missionaries and widows received free HPV and cholesterol screenings sponsored by SOOWER Foundation. The initiative promoted preventive healthcare and embodied SOOWER's holistic mission - wellness of *spirit, soul, and body*. Many participants described the medical outreach as "life-saving and timely."

Widows' Conference: Empowered to Walk in Dominion

From September 10 - 13, 2025, SOOWER supported the 6th General Late Pastors' Wives (Widows) Conference in Jos, themed "**DOMINION**." Over 2,500 widows and orphaned missionary children attended - double the initial target. SOOWER provided essential food items, and follow-up support data collection. Remarkably, about 100 participants gave their lives to Christ, marking a spiritual and emotional renewal. Together, SOOWER and FWC Missions continue to plant seeds of hope, health, and transformation - one family at a time.

Partnership Spotlight

Empowering Widows and Orphans with Excellence Ministry of Grace (EMOG)

On August 2, 2025, SOOWER partnered with Excellence Ministry of Grace (EMOG), Zaria, during its 18th anniversary themed “*Jesus the Game Changer*.” Through this collaboration, 200 widows received new wrappers and 150 orphans received footwear, along with warm meals and faith-based encouragement. Participants shared testimonies of renewed confidence and faith. Some expressed a desire to return to school or learn new skills. This partnership highlights SOOWER’s commitment to *demonstrating God’s love through practical acts of compassion.*

Building Capacity for Missionaries: SOOWER Partners with The Army of God Gospel Outreach for Trauma Care Training

From September 23 - 26, 2025, SOOWER collaborated with The Army of God Gospel Outreach, Lugbe, Abuja, for a four-day training on “*Advanced Trauma Competent Care*.” In partnership with Trauma Free World of Back2Back Ministries, 45 missionaries were trained to provide trauma-informed pastoral care to victims of conflict and loss. SOOWER supported the training with materials and facilitator accommodation. Over 90% of participants reported improved confidence in trauma ministry and pledged to replicate the training in their mission fields. The initiative reinforced SOOWER’s role in equipping missionaries for effective, compassionate service

Partnership Spotlight

Education for Every Child: Five Years of Transforming Lives Through the Slum-to-School Project

In September 2025, the Regy & Henry Amazing Grace Foundation (RHAGF) celebrated five years of the *Slum-to-School Project* at LEA Primary School, Mabushi, Abuja. Since 2021, the project has provided 500 children from vulnerable backgrounds with full educational sponsorship - covering tuition, uniforms, and school materials. SOOWER joined in the third year and continues to sponsor enrolment fees, uniforms, and school bags for pupils.

The project's closing ceremony, themed “*Community Empowerment and Educational Access*,” gathered partners from UNODC, UNFPA, NMEC, FCTA, and others to celebrate five years of life-changing impact.

By the Numbers

SOOWER's Impact (August 2024 - September 2025)

Monthly Stipends	₦10,000 - ₦15,000 paid monthly to 112 – 152 widows and missionaries, ensuring consistent livelihood support (stipends per beneficiary and number of beneficiaries have increased as indicated).
Education Support	Enrolment fees, uniforms, and school bags provided for 205 orphans and children in need across the FCT.
Healthcare Initiatives	Free HPV and cholesterol screening for 120+ widows and missionaries.
Food & Welfare	Food supplies for 200 widows and transport assistance to 150 widows and missionaries. Wrappers provided for 200 widows and footwear for 150 orphaned children.
Missionary Development	Trauma-informed care training for 45 missionaries, equipping them for emotional and spiritual restoration. Providing accommodation for 40 missionaries during a 5-day Missions Congress and Training.
Loss and Continuity	SOOWER mourned two beneficiaries (July - August 2025) and onboarded new widows, maintaining 151 active beneficiaries.

Looking Ahead

As 2025 draws to a close, SOOWER Foundation reaffirms its vision - to sow seeds of hope and transformation in the lives of widows, orphans, and missionaries. Through strategic partnerships and Spirit-led compassion, we continue to extend love in action and build stronger, more resilient communities across Nigeria.
